### COVID-19 TESTING AND SCREENING

Updated 9/16/2021

#### Feeling Sick?

- Consult your doctor **and schedule a visit**. Or use the **MyBSWHealth** app to utilize the COVID-19 screening tool, conduct an eVisit, or schedule a video visit.
- **Don't have a doctor? Haven't established care?** Go to Baylor Scott & White to sign up for MYBSWHEALTH (<https://www.bswhealth.com/Pages/virtual-care.aspx>) so that you can swiftly get in queue for an eVisit or video visit! (They take Blue Cross and Blue Shield also). **You can also text "BETTER" to 88408 to get started.**
- **Have a sick kiddo?** Call McLane Children's at **254.724.KIDS (5437) | BSWHealth.com/Childrens**
- You can also utilize MD Live (our free telehealth service) but unfortunately, they cannot refer out for an actual COVID test so for that reason, it may be best to speak to a local doctor.
- **Have Blue Cross and Blue Shield?** Your Preferred Care Physician (PCP) is listed on your insurance card!

#### COVID-19 Testing

- Let a doctor evaluate you, that way you don't test too early.
- You only need **one** type of COVID test as recommended by the Bell County Health District, the PCR Nasal Swab (be leery of antigen nasal swab tests, or antibody tests as some of these **are not** covered by insurance or recommended by the Bell County Health District).
- Test results with Baylor Scott and White currently are coming back sooner than facilities that have to send labs out for processing (Pharmacies, free-standing ER's, etc.).
- You can also visit the Bell County Health District Testing page [HERE](#) for local testing locations.

#### COVID-19 Testing Cost

- If you go through your physician, the cost for the PCR test should be covered at 100%.
- If you go through a pharmacy, free-standing ER, etc., they may want to do a rapid nasal swab or other tests that aren't necessary or covered under your insurance.

#### Insurance ID Card

**How do I order a duplicate medical ID card? What if I never receive my card?**

Call the Customer Service Department of the medical plan selected:

- **TRS-ActiveCare Plans, call BCBSTX (866) 355-5999**
- **HMO Scott & White, call (800) 321-7947**

**AMY HAYES, PHR, SHRM-CP**
