TEACHING AND PROFESSIONAL STAFF SALARY SCHEDULES

NOTES ON ADMINISTRATIVE AND PROFESSIONAL SALARY SCHEDULES

- PURPOSE** The pay systems for certified and professional personnel shall be approved by the Board of Trustees and shall comply with all minimum pay entitlements established by state and federal law. In order to pay employees fairly and attract and retain qualified employees, local pay systems shall be based on the assessed worth of jobs and shall be administered to support the following objectives:
 - To stay competitive with appropriate labor markets for the various categories of personnel
 - To recognize the levels of skill, effort, and responsibility required of different jobs
 - To reward continued length of service to the district and
 - To be fiscally controlled and cost effective
- PAY STRUCTURE** The pay structure for all personnel shall be established and maintained by daily or hourly base rates to promote consistent treatment of employees who have different work year periods. A pay grade and step for each position shall be based on a "Teacher Model" to recognize years of work history.
- JOB CLASSIFICATION/PAY GRADE** Positions shall be assigned pay grades based on a review of the job's worth when compared with similar jobs at other school districts within the region. Information provided by an outside agency, personnel staff, and other district officials is reviewed before placing positions within pay grades. The superintendent or his designee shall determine job classification or reclassification of positions based on an assessment of job requirements and comparability to other positions within the district and region. The only administrator authorized to make deviations to the Staff Compensation Guide is the superintendent of schools.
- PAY RANGE ADVANCEMENT** Pay ranges are established to provide opportunities to increase salaries of employees for continued satisfactory service to the district. Employee salaries shall be reviewed on an annual basis. Employees may advance within the pay range according to the amount of increase established from year to year experience in the same manner of the Teacher Salary Table.
- NEW HIRE SALARY PLACEMENT** New employees must provide evidence of job-related professional work experience at the time of employment in order to be appropriately placed in a pay range. The pay grade charts shall determine salary placement based on experience allotted. The Nonexempt/Salary Schedule Placement Guideline is located on page 34.
- PROMOTION** Employees within the district may be promoted to a job with a higher pay grade. When being placed in a higher pay grade, the salary will be based on the employee's experience in the same or similar job, or years of experience in education.
- DEMOTION and REASSIGNMENT** A voluntary demotion in position will require that the employee earn the salary associated with the pay grade of the new position. When being placed in a lower pay grade, the salary will be based on years of service for that pay grade. An involuntary demotion or reassignment determined by TISD may result in the employee retaining his/her existing salary, but not necessarily. The demotion may cause an employee's salary to be frozen until the salary is within the current pay grade or, more appropriately, to change to the correct amount or days between school years to align with the new position.

NOTES ON TEACHER SALARY SCHEDULE

- EXTRA-DUTY ASSIGNMENTS** The salary for teachers with certain extra-duty assignments shall be teacher's annual base salary plus a stipend. The supervisor will assign persons accordingly. Stipends are provided for performing extra duties beyond the regular campus workday schedule. Individuals should not be assigned extra duties that will overlap each other. Exceptions may be made on an individual basis by the Assistant Superintendent of Human Resources upon receipt of a written recommendation submitted by the individual's supervisor. When appropriate, and with the approval of the Assistant Superintendent of Human Resources, stipends may be shared.
- SALARY PLACEMENT FOR AFJROTC PERSONNEL** The salary for commissioned or noncommissioned officers shall be based on the Air Force Minimum Instructor Pay (MIP). AFJROTC personnel salary increases are given each January when a new MIP calculation is received. The Air Force reimburses the district for one-half of the **Minimum Instructor Pay**. Salaries will be calculated based on contract days.

3. **EDUCATION SALARY FOR MASTER'S DEGREE** A salary increase of \$1,000 is provided to full-time campus-based employees with an earned master's degree from an accredited educational institution in a field related to education or an instructional subject provided that their current position does not require a master's degree. The decision as to whether it is an educational institution that is qualified will be made by the Senior Director of Staffing. All **new** employees must apply for the advanced degree stipend by September 1, to the Assistant Superintendent of Human Resources. Payment will be included in monthly payroll checks.

- Included are teachers, librarians, nurses, instructional coaches, coordinators and other instructional positions closely related to the campuses
- Excluded are principals, counselors, diagnosticians, LSSP's, some directors, etc.

4. **EDUCATION SALARY FOR DOCTORAL DEGREE** An annual stipend of \$1,500 is provided to full-time employees with earned doctoral degrees from an accredited educational institution if their position does not require a doctoral degree. The decision as to whether it is an educational institution that is qualified will be made by the Senior Director of Personnel. A one-time request for the stipend which includes transcripts, if not already on file, must be made to the Assistant Superintendent of Human Resources by September 1. Payment will be included in monthly payroll checks.

5. **CREDITABLE YEARS OF SERVICE** Calculated in accordance to rules set by the Commissioner of Education.

6. **LONGEVITY PAY PROFESSIONAL EMPLOYEES** Full-time professional employees, who have worked in full-time positions in the Temple Independent School District, qualify for longevity pay after 20 or more continuous years of service. TRS has approved that longevity pay be paid in one lump sum starting in November during the 21st year upon the employee's return to TISD. Prior to 2002-03, continuous years of service were not required to qualify for longevity pay. However, any employee hired during or after the 2002-03 school year must have continuous years. Part-time employees do not receive longevity pay nor do part-time years calculate toward longevity; however, part-time employment will not interrupt continuous service years. Employees are eligible to receive longevity pay in accordance to the following scale based on years completed:

➤ 20-29	\$ 1,000
➤ 30+	\$ 2,000

7. **LONGEVITY PAY AUXILIARY EMPLOYEES** Full-time auxiliary employees, who have worked in full-time positions in the Temple Independent School District, qualify for longevity pay after fifteen (15) or more continuous years of service. TRS has approved that longevity pay be paid in one lump sum starting in November during the sixteenth (16th) year upon the employee's return to TISD. Prior to 2002-03, continuous years of service were not required to qualify for longevity pay. However, any employee hired during or after the 2002-03 school year must have continuous years. Part-time employees do not receive longevity pay nor do part-time years calculate toward longevity; however, part-time positions will not interrupt continuous service years. Employees are eligible to receive longevity pay in accordance to the following scale based on years completed:

➤ 15-19	\$ 500
➤ 20-29	\$ 1,000
➤ 30+	\$ 2,000

8. **RETENTION PAYMENT** To encourage retention of current staff, and avoid turnover, the district will provide a retention payment of up to \$500 to staff. Payment will be made if funds are available.

Salary schedules are intended to be informational and not contractual in nature.

Performance Pay: Teacher Incentive Allotment (TIA)

For any funds received by Temple ISD for a designated teacher under the Teacher Incentive Allotment (TIA), 90% percent will be paid to the designated teacher. The remaining 10% will be used for training and support of the system, expansion of the system, administrative expenses, and professional development. Should the district receive funding for a designated teacher who has resigned or retired, the district will disburse the funds to the department or grade level team the teacher taught.

❖ TIA Designated Teachers: 90% of funds

TIA compensation stipends will be eligible for use when calculating retirement benefits for TRS-eligible staff. Employees are responsible to pay both the employee and employer benefit and tax costs in excess of what TIA funding covers. Actual TIA compensation amounts distributed will include deductions for federal income tax, Medicare tax, and TRS contributions as part of an employee's annual wages reported to the state and federal governments, as well as the Teacher Retirement System (TRS).

Eligibility

Teachers with TIA designation (90% of funds)

- PEIMS coded 087
- Receive salary compensation for a minimum of 90 full time days in the school year or 180 days at half time in the school year

Definitions

TIA designated teacher

Identified by PEIMS code 087

Receives salary compensation for a minimum of 90 days @ 100% or 180 days at 50-99%.

A combination of teacher performance and student achievement meets the minimum requirements as set forth in the plan

Compensation Payout

All compensation for TIA will be paid in August.

If a TIA designated teacher retires from Temple ISD after the Class Roster Winter Submission, the teacher will receive the funding amount allocated to them based on the TIA approved by TEA. These funds will be paid prior to August 31st.

If a TIA designated teacher leaves Temple ISD for reasons other than retirement after the Class Roster Winter Submission, the teacher will not receive the funding amount allocated to them based on the TIA approved by TEA. The TIA funds will be re-distributed at the campus where the TIA designated teacher was employed at Class Roster Winter Submission.

All campus related personnel **MUST** follow the Professional Calendar (above) unless they receive prior, written permission from the Assistant Superintendent of Human Resources.

The Standard Professional 226 Contract Days may not apply to Support or Professional Staff not directly related to campus assignments or student services. Their contract days are July 1, 2021 to June 30, 2022, with non-contract days determined by the departmental supervisor or the Assistant Superintendent of Human Resources.

The standard expectation is that work calendars for all support staff shall be similar to that of their immediate supervisor unless prior arrangements are made through the immediate supervisor; e.g. clerical and office staff has the same work calendar as their supervisor.

Supervisors may approve deviations from the calendar of standard contract days (documented in Time Off). Realizing there are atypical circumstances that negate the ability to take time away from work during the summer months, consideration for approval of requests for “non-contract days” during the regular school year may be provided through the supervisor. In addition, we realize many of our professionals go well beyond the call of duty, and supervisors have the ability to exert modest flexibility while being reasonable. This assistance may be accomplished by a conference followed by a memo addressing the issue with the appropriate signatures for approval.

Record Keeping for Salaried Employees

For all personnel not on TrueTime (Salaried/Exempt not needing Sub), the plan is to use Skyward® to document your days of contracted work. Use Skyward® for days used for sickness or personal leave and for your non-contract days that vary from the Professional Contract calendar (above). When you use a personal or sick day, they are counted the same as a workday as does a professional development and school business day.

Non-contract days will not carry from year to year without prior approval from the Assistant Supt. of HR

2022-2023 DAILY WORK SCHEDULE

*Campuses may “flex” start and stop times to cover arrival and dismissal while creating an 8-hour workday.

The administration shall determine the distribution of work among members of the staff. The superintendent and principals shall require each staff member to be on duty before and after regular school hours long enough to plan and carry out individual professional responsibilities. These responsibilities shall include planning, supervision, guidance, instruction, and other routine duties or assignments made by the superintendent or the principal, such as work related to extracurricular activities, hall duty, and cafeteria duty. All full time non-exempt employees will be on a 40-hour work week which will be documented through the **TrueTime** software program unless employed for fewer hours per week as per job assignment.
